Read the passage and answer the questions below:

Sara, Fatimah, Wafa, and Amal are four best friends in the same neighborhood. Sara is twelve years old and she is in Grade 7. She lives with her family in a villa near the park. Her favorite sport is basketball, and she loves to play it every weekend. Her favorite place in the neighborhood is the community playground, because she meets many friends there. Sara usually goes to school by car with her father every morning. Fatimah is eleven years old and **she** is in Grade 6. She lives in an apartment with her parents and two brothers. Her favorite sport is swimming, and she likes going to the swimming pool near her building. Her favorite place in the neighborhood is the library, because she enjoys reading interesting stories. Fatimah goes to school by bus, and she likes sitting with her friends on the way. Wafa is thirteen years old and she is in Grade 8. She lives in a small house next to her grandmother. Her favorite sport is volleyball, and she plays in the school team. Her favorite place in the neighborhood is the bakery, because she loves warm bread in the morning. Wafa usually takes a taxi to school when her parents are busy. Amal is twelve years old and she is in Grade 7. She lives in an apartment near the shopping center. Her favorite sport is cycling, and she rides her bike every afternoon. Her favorite place is the garden, because she enjoys looking at the trees and flowers. Amal usually walks to school on foot, because her home is very close. The four girls always meet after school in the neighborhood, and they enjoy playing, talking, and studying together. Their neighborhood is friendly, safe, and full of nice places to visit.
